SOLARIS POWER 44 OPEN

2023

2x VOLVO IPS 650 (960 HP) · 65 H
PRICE: 925.000 € (VAT PAID)
PALAMÓS (BARCELONA)

SOLARIS POWER 44 OPEN 2023

Solaris Power 44 Open (2023) in impeccable condition, **Spanish-flagged** and taxes paid, available in **Palamós (Girona)**. The vessel has only **65 engine hours**, has been **meticulously maintained**, and comes with a very complete configuration, including aesthetic details such as the **metallic gray paint**, which make it a particularly exclusive vessel.

Equipped with the most powerful engine configuration available for this model - **two Volvo Penta IPS 650s (480 hp)** - it offers efficient, stable, and exceptionally comfortable cruising. It also features Volvo assistance systems that make a real difference both while cruising and maneuvering: a **joystick**, **Dynamic Positioning**, **Autotrim**, and an **interceptor system**, providing precision, safety, and ease of use when docking and operating in all kinds of conditions.

At anchor, this SP44 stands out for its clear focus on comfort: a **carbon T-Top with an electric awning**, a **hydraulic gangway**, a **fold-down aft platform**, **underwater lights**, an **aft sundeck with an electric hatch** for access to the water toy garage, and a fully equipped outdoor area with solutions designed for spending the day on board (refrigeration, ice, coffee, and a galley).

A premium Italian day cruiser for those seeking **uncompromising luxury**, safe navigation, and a level of finish and equipment ideal for both day trips and weekend getaways.
